A/F: *7 steps to Christian maturity. Adults or students take the fp group thru this each week of A/F.

*use this time for fellowship and accountability questions in small groups like:

what did pastor preach on Sun? what was your Sunday school lesson about?

C/I: *make sure and get a back up speaker in case priority one doesn't show.

*let students pick the topic to be discussed from our list of topics.

*ask speakers to use object lessons of videos

T/S: *let students share their talents not just testimonies, sing, drama, skits, artwork, etc.

* servant evangelism, pick up trash, clean trophy case, work concessions for a group.

S/H: *make sure the faculty sponsor or coach of the target group is contacted by a student and you.

*change the reward, instead of biscuits have donuts, small gifts with school logo's like plastic cups, bracelets, towels, buttons, etc.
